

In Case Of Emergency

ON WATER

Life threatening emergency:

- All passengers must put on life jackets.
- Call the Coast Guard VHF Channel #16, say “mayday, mayday” followed by the vessel name, location and nature of distress and number of people on board.
- Repeat call as needed.
- Coast Guard will instruct you as what to do next.

Non life threatening emergency:

- Always put out anchor so you don’t drift from current location.
- Determine position, i.e. local landmarks or GPS grid numbers
- Call for assistance on channel #09 to Coast Guard, marina or towing service in your area.
- If you are in the Mianus River please call us at the main office.

AT PORT

In the event of a fire:

- Clear all people from the boat / dock
- Call 911
- Get word to the marina
